VARTSIKHE MARANI

The company was founded in 2015 in the village Vartsi khe, Baghdati region, Georgia. It owns 46 hectares of land in Imereti, where vineyards are being gradually cultivated and 3 hectares of vineyards in the village Vazisubani, Gurjaani district. The wines are produced using old Georgian traditional technology from the following grape varieties: Aleksandrouli, Aladasti, Dzelshavi, Otskhani Saperi, Ojaleshi, Saperavi, Tsitska, Tsolikouri, Krakhuna and Rkatsiteli. Annual turnover is 40,000 bottles. The products are already exported to America, Japan, Germany, Azerbaijan, Ukraine and also at local winebars and restaurants.
